

Kitty Witchy Hat

Halloween is a time for dressing up. Here's a fun witchy-craft to get your cat in the spirit.

These are pretty simple and are meant to just rest on top of the cat's head — hopefully long enough for a cute photo op! But if your cat doesn't like things on her head, these make cute Halloween decorations too.

What you'll need:

Large piece of black or Halloween-patterned craft paper; Ribbon (with no wire); Drawing compass; Scissors; Tape or glue.

Instructions: Use your compass to measure about 3 inches out from the corner of your paper, then cut out the triangular piece.

1. Roll this piece into a cone shape, and glue or tape it closed
2. Go around the bottom of your cone and cut ¼-inch slits into the bottom every ½ inch, then fold them outward.
3. Use your compass and the rest of your paper to make another circle that's about 3 inches in diameter. This will be the brim of the hat.
4. Place the cone on the center of the brim circle and trace around it, then cut that inner circle out. You may have to adjust the size of the inner circle a bit, but the goal is to fit the cone snugly through the circle so the fringe you cut catches on the circle. Glue or tape the bent edges to the bottom, crating your hat. You also might need to adjust the size of the hat brim to fit onto your cat's head. (Those ears can get in the way!)
5. Decorate your hat with ribbon, Halloween stickers or anything else you like.

Hats off to Emily Geiger!

On Wednesday, October 23rd, Emily received her Bronze Award with the Girl Scouts! She earned this award by volunteering this past summer with Cat NAPS. YAY Emily!

11-year old Emily who is a 6th grader at Skyview Upper Elementary School in the Methacton School District knew she wanted to earn her Bronze award by helping out the cats and kittens of Cat NAPS since her family had adopted Mimosa now known as Mocha from us in December of 2017. Emily held a food drive where she collected a lot of bags of dry food and cans of wet food (see below). She made adoption kits which included homemade cat beds, food dishes, treats, and Pet Valu gift cards. She volunteered for us in the Audubon Pet Valu cleaning the cages and feeding the cats waiting for their forever homes. You may have even seen Emily with us at Scoop Night!

Please join us in congratulating Emily for not only earning her Bronze Award but doing so much to help the cats and kittens! Emily's parents, Carol & Ross need to also be recognized for their support.

From all of us at Cat NAPS, THANK YOU Emily Geiger! We appreciate you!

Meet NAMATH!**

Recently the SPCA called to ask if we had room to take in a cat they had nicknamed “Football Head.” He was described as being a super-nice cat. Well, he has far exceeded being just a super-nice cat – he’s absolutely incredible! Namath, as we’ve named him, is social with people as well as other cats. He’s a talker, too!! Namath is understandably anxious to have a home of his own where he can lavish his love & attention on his people. All his vet work is finished & we have microchipped him. How about it? Wouldn’t you love to have this splendid tabby share your life?
